BOAT

IT'S **TIME** FOR YOUR **CRUISE**

Boat is a men's shoe designed to defuse the days in the city,
but also to give color to boat trips and moments of leisure.

The innovative composition with the material used for the production
of dive fins guarantees lightness, strength and flexibility.

The side holes allow the foot to breathe and the slightly raised heels
give maximum comfort in order to wear Boat even for many hours.

Boat is a 100% Made in Italy product.

INNOVATIVE

Made with the same material used for the diving fins, Boat is light, soft, flexible and super resistant. Thanks to side holes, Boat has an excellent breathability and is wearable also for many hours.

IRONIC

Because we like resourceful man! Boat is the sporty-chic version of the classic and elegant boat shoe, it is made with new materials and it matches unexpected and always surprising colours combinations.

COLOURS

The wide range of colours that we offer allows you to customize your shoes as you prefer!
You can have your Boat in any colour in our colour chart,
and create new combinations matching different laces.

MADE IN ITALY

Our shoes are entirely designed, manufactured and packed in Italy by Henry and Henry®.
They are made of non-toxic and phthalate-free PVC in compliance
with the safety standards.
